

Seismic Public Meeting Notice

To the Citizens and Landowners of NW Franklin Parish, Louisiana

Precision Energy, LLC will be conducting seismic activity north of the Crowville, LA in the Lamar Community area(s). From Lamar, the prospect extends East to Bayou Macon to the Parish line and West to Turkey Creek in Franklin Parish. The seismic area more specifically is located in Sections 25, 35, 36, T16N, R8E. Sections 25-36, in T16N, R9E and Sections 29-32, in T16N, R10E. Sections 1 & 2, in T15N, R8E and sections 1-12 in T15N, R8E in Franklin Parish, LA.

The survey will begin approx. 10/14/22 and last until on or before 12/1/2022, subject to weather and crop harvesting. In the event of delays, the survey could be extended to the fall of 2023 after crop harvest.

To provide the public with additional information regarding the seismic survey, Precision Energy and LDWF will hold a public meeting at 6:00 pm on Tuesday, October 11, 2022. The meeting will be held at the Jack Hammons Community Center, located at 810 Adams St., Winnsboro, LA.

For additional details pertaining to the seismic survey prior to the public meeting date contact permit agent Gary Stewart at cell 601-757-3009 or email at gws3009@gmail.com.

An outline of the seismic project showing the potential area to be affected is located at <http://www.wlf.louisiana.gov/fishing/seismic-exploration-activity-program> under the public meeting tab located at the top of the page.
